containing remarks on my returns for 1862  
was rec<sup>d</sup> after being sent to my old Regt in  
Va. 1<sup>st</sup> You ask for Invoices for 1744<sup>th</sup> the fresh  
leaf in Jan'y 1862. My papers for 1862 have been  
lost or a great many of them have. I have however  
looked over Capt C McElernaghans returns for  
Jan'y 1862. I find there that I have accepted to him  
for various amounts of fresh beef, but in no  
one place the 1744<sup>th</sup> for which Invoices are want-  
ed. In Jan'y 1862 the fresh beef for my Regt was  
furnished by various persons the amount thus  
furnished was reported to Capt McElernaghan  
the Post Commissary whose duty it was to pay  
for it & Invoice it to me this I suppose he  
neglected to do. Knowing the amount furnished  
charged myself with it without the Invoice  
this is the only way I can account for the  
Invoices being missing. I have endeavored to keep  
my papers as correct as possible with the limited  
knowledge I then had of the business & some of my  
papers had not been lost in our various moves &  
smash up both on the way to Va & after we got  
there.

Please find  
enclosed my reply to remarks on  
my returns for 1862. I hope under  
the circumstances they may prove  
satisfactory. Commissioners in the field  
(as I have been until lately) labor under  
a great many disadvantages, particularly  
in regard to keeping papers & making  
regular reports. I was satisfied that  
I could at anytime find all necessary  
papers until I looked. I find they  
have been lost in some of our tumors

Dear Sir

In remarks on my  
returns for March 1862. You say that as  
I purchased beef as well as deer on  
Consolidated Requisitions a return must  
be forwarded. In looking over the few  
papers I have been able to find relative  
to March 1862. I find that I made  
no return for that month. but that  
in my Quarterly I made a full statement  
of my purchases. A further return cannot  
be made as the papers cannot be found.

1st Quarter 1862.

My Roll must be  
approved by the commanding officer  
of the only commissary book I could get  
hold of did not in the form prescribed  
require the signature of the commanding  
officer. The one I now have does &

larger, which you will have to have under  
the late Act of Congress. It is important that  
you should have this mistake corrected  
as early as possible -

Check again, by making your lay re-  
turn of your estate taxes by the 25th,  
instant, and paying them. You will  
be allowed to pay in the present cur-  
-rency at 100 cents in the dollar -  
whereas if you omit to do so within  
the time you can only pay them in  
Confederate Currency at 66 2/3 cents  
in the dollar - which is losing 33 1/3 per  
cent.

So you see the importance of  
your coming up as early as possible  
and attending to these very important  
matters.

I am perfectly willing to do all  
I can for you in the matter but I  
am sure you can attend to them  
in person far better than I can for  
you.

All well,

Very truly,  
Yours,

J. H. Robertson

Albion, N. Y., 3 March 1864  
Capt. A. A. Kabb.  
Dear Sir,

I think you should  
by all means obtain a passport if possible  
and run up here and make your tax  
returns, both Corporate & State. And arrange  
about paying your money or otherwise for  
the purpose of paying your present taxes  
now due, and providing for your Corporate  
tax under the late Act of Congress.

Things are so confused that I fear I  
could not possibly make correct returns for  
you, and arrange for the payment of your  
taxes, nor so satisfactory as you could  
do for yourself. Whatever money you  
conclude to provide for 4 per cent. bonds  
should be attended to at once. And  
as there is no arrangement for paying  
in this place I am at a loss to know  
how I could serve you in the matter.

Again upon looking over your return  
of your tax in kind I observe a mistake  
against you of one hundred dollars.  
And as you will be entitled to a credit  
for your tax in kind on the Corporation

My dear Sir  
as I regard your health  
as in part due to too close  
confinement in hospital and the  
involuntary duties of a Surgeon I  
feel it right to advise you to ask  
recess therefrom as necessary and  
speedy remedy. You will allow me  
to say that our relations have been  
confidential & pleasant yet not more  
so than your services have been valuable  
to the Service.

It now shall determine  
to take the course indicated and I  
think you should I hope soon to be  
you so much improved as to be  
able to resume the duties you may  
select for a time long enough

to temporary duty at this post by the  
Sec. of War in the month of March last  
having lost his health, is desirous of  
resigning his Commission

more or less from debility following an  
attack of Typhoid fever, during the  
last winter on the Potomac; he has now

cularly the Transverse Colon, is much im-

his Commission as Assistant Surgeon in  
the Provisional Army of the Confederate  
States

Wm. H. Ralston

Office  
Albany, N.Y.  
July 23rd 1861

Sir,

Having found it much better to say  
nothing at all than to say too much, I have  
written you a few lines in relation  
to the matter.

Not to be taken as a sign that I have  
nothing to say to you. I am much gratified  
to hear that you are so well.

I regret to hear that you are  
only too inclined to ask for the  
rewards of a man of your  
consideration of its absolute importance  
to get.

Nothing that you may be doing,  
in order to reach the end.

Very respectfully,

Camp of Instruction Washington D.C.

Major C. D. Weston  
Major

On the 28<sup>th</sup> of June 1862  
I commenced my duties as Enrolling Officer for Danmell  
District So. Cal. and on the 20<sup>th</sup> of July was assigned to  
Camp as Inspector and to prepare rolls for Virginia.  
on the 27<sup>th</sup> of August received the appointment to  
command the camp, and on the 27<sup>th</sup> November was  
appointed Asst Quarter Master, and have discharged  
the duties as officer in command of camp up to the  
present time.

I appeal to your judgment in justice to myself,  
and through you to the Sects of War or proper author-  
-ity and respectfully call your attention to Genl Order No 93  
Sec 16. An Act, to authorize the establishment of  
camps of instruction and the appointment of officers  
to command the same.

The Congress of the Confederate States of America  
do enact.

That the President be and he is authorized to  
establish camps of instruction for persons enrolled  
for military service at such places and in such  
numbers in the several states as he may deem necessary.

and to appoint by and with the advice and consent  
of the Senate, officers in the permanent army, with the  
rank and pay of major, to superintend and command  
the same. /

Approved October 8<sup>th</sup> 1863.

## II General Orders No 82

II. Commandants of Conscripts and Camps of Instruction  
1<sup>st</sup> An officer styled the Commandant of Conscripts will  
be appointed for each State, who will be charged with  
the supervision of the enrollment and disposition of  
Conscripts. He will establish one or more camps in  
which conscripts will be assembled and instructed  
and may recommend for appointment a Surgeon, a Quarter  
master, a Commissary and the requisite number of Drill  
-masters for each Camp. If more than one camp be  
established, he may also recommend a commandant  
for each camp not under his own immediate command.

Believing as I do that I am entitled to the  
rank and pay of major, I earnestly urge my claim  
through you to the department for immediate action.

Very Respectfully,

Your Obedt Servt

such commandant, I desire to place  
upon his command the guard that I  
propose to organize for this duty and all  
forces that may be gathered for the same  
purpose.

I write hurriedly, being on the  
eve of leaving for Charleston to confer with  
the Governor on the embarrassing and, I  
may say, alarming condition of affairs  
in Greenville and Pickens. With his aid  
I am satisfied that measures can soon  
be perfected to bring the lawless to proper  
subordination. On my return, I will  
endeavor to communicate to you more  
fully the facts.

Let me ask you to give your care-  
fullest attention to the matter of this  
communication. If the proper office and  
rank can be given him, I shall feel at  
liberty to use him in the manner indicated;  
if not, I must look elsewhere. I would  
be glad to learn the result by telegraph.

Col. Geo. S. Ruston

Supt. Conscription

Colonel: Allow me respectfully to submit to your consideration the enclosed communication received some days since from Capt J. H. Radcliffe, Asst. Quar. Master, but for some time, commanding the Camp of Instruction of this State.

After investigation, my judgment concurs with his, that the position which he now occupies, and the duties of which he has been so long discharging, is properly that of "Superintendent and Commandant of the Camp of Instruction," and that under the Act of Octo 8 1862, to which he refers, he is entitled to be so commissioned with the rank of Major.

This office, created by the Act of Octo 8/62 is certainly distinct from that of the "Commandant of Conscripts," authorized by Paragraph I, General Order 82 (1862). The duties of the latter officer pertain to the "supervision of the enrollment and the disposition of Conscripts." The duties of

the former pertain to the superintendence  
and command of the Camp. To the former  
office "the rank and pay of Major" is given  
by the terms of the Act; to the latter no  
rank is affixed, it being doubtless intended  
that the appointee should carry  
with him only such rank as he held  
independently of the appointment.

Both of these offices are essential  
to the conduct of the Camp in this State  
operating as we do with but one Camp,  
and with the same machinery discharging  
also the duties of the Port, it will not  
be deemed unreasonable, that the  
application of Capt Radcliffe for  
his appropriate rank should be urged  
upon the Department.

To yourself I need not speak of  
the value of his services, of his long con-  
nection with the Camp, and of the  
necessity of his being continued in  
the discharge of the same duties heretofore  
pertaining to him.

In another view of the matter,  
the importance of his being appointed  
to his appropriate office becomes obvious.

The rapid increase of desertion in this State, the boldness with which the lawless are banding together for self-protection, chiefly in the District of Pickens, Greenville and Spartanburg, and the fact that the ordinary agencies are powerless to combat the evil, force me to concert other measures. Force will necessarily be used, and I shall wish to place the men to be used for this purpose under his command. I feel that in his determination, prudence and discretion I can fully rely. The task will be a delicate one, and I know no one to whom I can so safely entrust it.

This consideration whilst not sufficient to warrant a claim for promotion, is certainly of weight in the matter of assigning to him his appropriate office and rank. As a Quarto Master - which office he now holds by appointment - there is an inconsistency in assigning him to the discharge of duties such as indicated. He duties hitherto ~~and~~ yet discharged by him, as already intimated, as though of Commandant of the camp, and as

Camp of Instruction No 263.

Major T. H. Radcliffe

Call attention to his case. He  
has been appointed "Major to Command

to discharge duties of former  
commission as "Captain & Quartermaster".  
Suggests that he be com-  
missioned a Major in G. M. Dept

necessity of appointing another  
Quartermaster. Col. H. J. Foster's com-  
mendation enclosed. Signed by

his acceptance of the new ap-

I much desired in order to pre-  
vent any interruption in the work  
pertaining to the Camp. The time  
however, within which his ac-  
ceptance of the appointment as  
Major is limited, has nearly  
expired, and it becomes necessary  
that the matter be determined.  
The suggestion made by him, that  
his new commission be changed  
to that of Major in G. M. Dept  
will obviate the difficulty and  
render unnecessary the appoint-  
ment of another officer; as in  
that position he can discharge the

the enclosed letter from Judge J. H. Burdett of  
this County, requesting me to call of the Committee  
of Safety of this County to the charge of and have  
Command of the force to be raised in the County in  
Local Defense and to take the necessary steps  
Committee has tendency to make difficulties from  
them select to prevent such an organization from  
being effected and a very common, unless sanctioned  
by Authority of the Government - particularly as these  
Local Organizations belong to the United States  
being made under the Authority of an Act of Congress  
passed in 1862. I have to Mr. Gen. Sam. Jones  
County Sept 10th inst. for the necessary Authority  
to organize and command the force to be raised and to  
carry the organization to the adjacent Counties so  
that there will be a solid line of defense and  
such a force as will be as to have out the force  
promptly when needed. I have not been able to apply  
to me later from Gen. Jones that he has not  
the power to grant me such Authority but enclosing  
me the within recommendation to the nearest Authority  
I can organize a force in this and the adjacent Counties  
that will render efficient service when needed and so

The services of A. M. Kafter employed by  
Major S. Milton as Agent at Granada  
were indispensable in that capacity.

Recent efforts have been made to obtain  
the services of a person not liable to military  
service in the field, and such efforts will be  
continued. If successfully A. M. Kafter  
will be reported promptly to the nearest  
Enrolling Officer. A detail for 6 months

Major Reagan thought me

the old Army - & he would  
have been here earlier but his  
service was in Washington  
Territory & besides, the importan-  
ce condition of a member  
of his family necessarily

detained him on the Pacific  
coast. He is I believe en-  
titled to rank & pay in our  
Army & I hope that he  
may be put at once on  
duty.

(Rec July 17, 1861)

Dear Sir

This will be handed to you by  
May at A. D. Rogers & the only May Rogers  
has held the office of Pay Master in the  
U. S. Army in the East, our man - has lately  
assigned a new tender tendered to the C. State  
for similar service - I had some personal  
communication with <sup>you</sup> also & the case & was  
to you a little from him which at your  
suggestion I placed in the War Department &  
He has been on duty in Oregon & was there  
when he was arrested & the suspension of Rogers  
the War Department at one & the same time  
has that committee given the Confederates  
Army. He was then taken to the  
military, & the work, by a very  
distressing family affliction - Having at  
last reached home & settled up his  
accounts with the U. S. & with the  
rest of our Government, with the hope

that his services may be accepted & that  
he may be put into active service  
the high capacity of a high order & they  
saw a good deal of service, leaving  
him a Pay Master during the Mexican  
war & lost his plan upon the conclusion  
of the war & the admission of the Army.  
He was reappointed by Mr. Buchanan  
in March 1857 & has since engaged in  
active duty ever since on the Pacific  
Coast. He is a man of great industry,  
and of good breeding. He is a  
deportment. I cheerfully commend  
him to your confidence & favor.  
He will be able to tell me something  
about Genl. A. S. Johnston, and as  
he has just come through Texas, he  
may have some interesting facts  
gathered at that interesting point.

I am respectfully

Yours Obedt. Servt.

F. W. Johnson

The President

I feel that my experience fully  
qualifies me to take charge and  
give direction to the Pay Department -  
of the Southern Confederation and that  
my services as such would be invaluable  
in that position. Such as they are all  
my powers and energy belong to Georgia  
South.

Very respectfully  
Yours truly

Attn. A. J. Person.

Washington  
D. C.

Dear Mr. Adams & Co  
Jan 9, 1861

Dear Sir,

For some time have  
at the Offices of the Army and Navy  
who belong to Georgia requested to  
rejoin and come home.

Many officers at remote Stations  
are anxious to do so at once, but do  
not feel able to do so upon uncertainty.

A request from any authoritative source  
the Convention Legislature or Governor -  
would give them some sort of assurance  
that provision would be made for them  
of some sort in the new organization  
of affairs which would fully induce them.

The Rubicon is passed and as  
soon as I learn that Georgia has  
suspended the flag of Independence  
I shall immediately return home and  
report to you for orders.

I look to you Judge, to provide  
for me in the new organization. My  
sentiments of loyalty and devotion to the  
South are well known to you. Therefore  
I need not reiterate them -

At St. Louis, Mo.

and a letter from Washington, D.C.

There are two gentlemen having distinct  
Military educations and having had some  
experience as line officers. Their services  
would doubtless be of the highest importance  
to the Church in such a case. While the duties  
of a Major in our Union being altogether  
Clerical could be as well performed by an  
experienced Civilian.

I wrote you a few days ago, I write  
you now, more particularly for the purpose  
of placing myself in your hands, ready to  
sign my Commission and return home when  
ever you notify me that Georgia requires my  
services. Your previous interest for me induces  
the confidence in my reliance upon your friendship  
now. Please let me hear from you soon, as I can  
give no other  
Yours truly

Quinta-feira 22-2-1907.

I have received your letter of the 10th inst. and am  
 glad to hear that you are well. I am well and hope  
 to hear from you soon. I am sure you will find  
 the weather here very pleasant. I am sure you will  
 find the people here very friendly. I am sure you will  
 find the food here very good. I am sure you will  
 find the accommodations here very comfortable. I am  
 sure you will find the climate here very healthy. I  
 am sure you will find the scenery here very beautiful.

I am in the same situation this morning,  
there are no boats in the harbor.

much as possible, however, in a Reg  
Master during the summer I, as it  
lost his place on the 1<sup>st</sup> of July of  
the day, at the end of the year.  
He was appointed by the Governor  
& he has been in service on the Maine  
Court for some time, his position  
is far from that of a notary  
on the spot to take immediate part  
in our struggle, but I can judge of  
calculating on his return as soon  
as the time for me I, perhaps  
soon.

I am in pleasure to  
submit to you the enclosed letter from  
my friend & former colleague Major

These letters authorize me to say that  
he will be seen as faithfully as possible

nothing to him as regards his clerical

Dear Mr. Garrison

On the 1st of Jan. the members  
of the Cambridge Anti-Slavery Society  
in regular session have taken into consideration  
the report of the Executive Committee  
to the effect that the Cambridge Anti-Slavery  
Society has been added in the former  
Principle of political affairs.

On the 1st of Jan. the members of the  
Society have taken into consideration

the report of the Executive Committee  
and integrity at this day the Cambridge  
Society has been added in the former  
Principle of political affairs.

The General Convention at the Anti-Slavery  
State Convention at once and in things  
resolves their separate sovereignty and indepen-  
dence, and hence is the Anti-Slavery  
left for them, with consistency with honor and safety.

I am confident we shall  
in a year or two at least have  
an equally available, universal and distinct  
law to Christian rights and interest than  
the South that she no longer has any hope  
of safety in the Union. And now what is to  
be done? The only thing to do, is to do  
nothing. We must in the eyes of the civilized  
world, not only be a nation of abolition  
for all time to come.

It seems to me that we have long  
to the American march of Northern aggression,  
years ago we have had the laws  
which have us to a people who are  
to right and justice, as to integrity and good  
faith.

On the 10th of June, 1851, I have  
on to Union my friends and my faith in  
first and in my native state whenever and  
whenever they are needed. In the year  
1851, I have signed the statement  
of the Southern States and the Southern  
States and the Southern States.

I received information that  
a number of men had  
arrived at the place where  
the capture  
was made by military force  
it will require some time  
to get the men out of the  
and send them to the

they can be sent home  
who would then be  
the only ones to be

The first of these is the fact that the population of the United States is increasing at a rapid rate. This is due to a number of factors, including immigration, a high birth rate, and a low death rate. The second factor is the fact that the population is becoming more urbanized. This is due to the fact that people are moving from rural areas to cities in search of better living conditions and economic opportunities. The third factor is the fact that the population is becoming more educated. This is due to the fact that more people are attending school and obtaining higher levels of education.

When appointed 20<sup>th</sup> Sept. by Genl. C. Brown Comdr  
of the fort, I declined accepting the appointment as  
I knew nothing of the duties of the office, & R. G.  
informed me that a <sup>new</sup> required me to do with  
out <sup>any</sup> instructions on the requisite forms, & as my  
father gave me the <sup>only</sup> instructions which I have  
since. I have drawn some money from Col. Brown  
& have given him a receipt, & have of it  
correctly accounted. I have also been in  
voluntarily a credit for the department beyond  
my most sanguine expectations. I have also the  
necessary requisition for money to defray the ex-  
penses of the department, and have been unable  
to account in either pecuniary or other ac-  
counts to continue the business of my office to

The satisfaction of myself or other having any  
situation of my own.

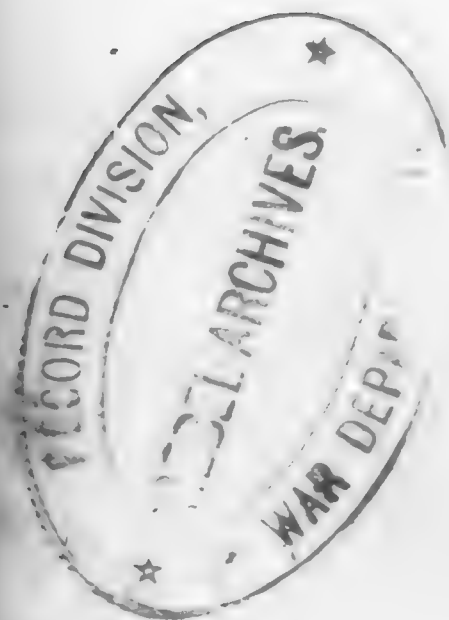

I have informed verbally our Committee,  
the Chief of the Department, & have set it down  
have been & intend to return me & have not  
and it is already said to be heard from  
further notice.

Upon the arrival of Mr. Maclean at  
the first he visited my Office the paper document  
and book were exhibited to him, with which he  
appeared pleased and remarked that he had  
been somewhat misled under the circumstances  
having been, as he reported, without a  
means of instructing myself as to the correct  
writing of the Department. The only fault  
found with me by Mr. Maclean was that I had  
given a bill instead of a certified account for  
the debt due by my Department, which error I  
have endeavored to correct by calling in the  
due bill and giving the former certificate of  
indebtedness.

I feel by the way that I am not answer-  
able to any and great credit and would not  
respectfully require it to be pronounced whether  
there have been any charges preferred against  
me which would cast any reflection on my  
character as an Officer and a Gentleman. I

Asst Quartermasters Office  
Houston June 21<sup>st</sup> 1863

Captain Edmund Turner A. A. Genl

Houston Texas

Capt Bailey has asked to be relieved from duties assigned him under Brig Genl Bankhead, on account of ill health - in his opinion he has been ordered to perform duties more trying to the physical man. his objections are, he would not be able to perform the duties now assigned on account of ill health - he does not feel willing to take charge of coins from this to Nettles Bluff because it could not be properly cared for on the route, and would be insecure if it should arrive safe at its destination because there is no Iron Chest or Safe in which to deposit, and would not be secure, unless properly guarded by soldiers - The assaults upon men from lack of sleep in guarding the same to Nettles Bluff, would be more than he could live under, he does not believe that he would be doing his securities justice by taking charge of coins not properly secured, and that it being near the end of the 3<sup>rd</sup> Q<sup>r</sup> his present papers should be returned in time, and that he is without

At 10 miles the 2<sup>d</sup> Co. of the 1<sup>st</sup> Regt. came down and was duly sworn as soldiers for the 1<sup>st</sup> time.

At the embarkation of the prisoners some British  
soldiers went belonging to the 1st Regt. of  
the 1st Division by the Company, Commander to  
take the prisoners out to Virginia Point. I  
took them to the boat house & could not get them over,  
took them back to the Depot at 10:00 AM, &  
some one would help me to put them in the  
boat with Capt. Day would he asked me to  
put them in the boat, had it not been  
for my help I could not have taken them  
over, as at the last hour was then  
about 10:00 AM the British had gone  
there was no one to help, the one mentioned  
here is the same horse Capt. Day got from  
the 1st Regt. of the 1st Division.

Capt. W. Buchanan came to the Look's Regt. came to the  
and was in the company of Capt. Thos.  
as general masters clerk in the latter  
part of 1862. There was a brown horse turned  
over to the Look's Regt. in the latter part of  
Nov. or Dec. of 1862. and the reason that  
the horse was not borne on Captains property  
account for the quarter 1862 was because the  
proper invoice had not been furnished before  
they left the company. I find of the Look's  
Regt. that the proper invoice was furnished  
before leaving the last quarter of 1862. The  
horse was put on the property return for the  
year 1863. Capt. May instructed me at  
Washington that during the year to put  
the horse on his property return for that year  
as he intended to purchase the horse and the  
reason given is why he was not borne on  
the property return for that year. I find  
that the same horse was on the Look's Regt.  
at Washington that as a public horse for  
the purpose of the day.

and Joseph Best to Mr. J. C. Taylor's Regiment  
being duly sworn testified as follows. I came  
over to Capt. J. C. Taylor's office about the middle of  
Nov. 1863, the horse was then in Capt. J. C. Taylor's office  
papers for that quarter; that the horse was  
bought by Capt. James Taylor in 1861.  
There was an order from Col. Moore commanding  
that the horse be turned over to Capt. J. C. Taylor  
and that the horse was then in Capt. J. C. Taylor's  
office. That Capt. J. C. Taylor's horse was  
bought by Capt. J. C. Taylor. The horse was kept by the  
company's sergeant as a public animal for  
some time. I have never seen Capt. J. C. Taylor  
personally before for 1861. I have not known

received on the 12th of May an order from  
the Post Commander at Virginia City.

Capt. Smith was relieved from duty in June  
1861 at that time I occupied to Capt. Smith  
as commander of the company for the horse  
cart, harness, & considered the horse as Government  
property & then gave to him as such.

From Capt. Smith's receipt for the horse cart  
& harness turned over by Capt. Bailey to Capt.  
Smith.

John H. Conrad, 1st Lt. Col. Arty. was  
in command and was duty-bound as witness  
for Capt. Smith.

I was a member of Capt. Smith's Co. in 1861  
I know that the horse that Capt. Smith  
had in the company remained in charge  
of the company until the latter part of the year  
1861 when it was turned over to Capt. Bailey at  
Virginia City. I know that Capt. Bailey  
was not in duty at this time for 6 months  
previous to Oct 1861.

John H. Conrad  
1st Lt. Col. Arty.

that the horse was borne on his return for that  
quarter.

I have heard nothing of the horse from Nov 1861  
until Jan 1863 when I find the horse in  
Capt Stoy's possession. I then see that the  
horse is borne on Capt Stoy's property return  
& that Capt Stoy has in his possession an  
invoice from St. Lawrence County Co "C" Cook  
Reyl & that the invoice did not show that  
the horse was the property of Capt Reilly  
also that Capt Under in November 1861  
made application to Capt Reilly to exchange  
the said horse for another the said horse  
being sick, which being refused to Major  
Blacklin was refused & Capt Reilly was  
permitted to furnish another horse and that  
the disputed horse was not returned to Capt  
Reilly. I have seen on Capt Stoy's account-  
current; himself charged with the invoice price  
of the horse & taken him off of his property  
return.

I have heard conversations between Capt Reilly  
& Capt Stoy and I have never heard Capt Reilly  
claim the horse as private property, in those  
conversations I have heard Capt Stoy claim  
the horse as private property, as much as  
8 months ago the objection made by Capt Reilly  
to Capt Stoy's refusing the horse was that Capt  
Reilly said the horse borne on his property  
return & that Capt Stoy had no right to  
purchase the horse for any time.

I am sensible of  
having done every thing in my power  
with the means at my disposal, acting  
in the double capacity of Sheriff  
and County for the Post Office. And as  
you have been instructed by the State

he "was" my course recently inefficient  
in the extreme; and I am I show his  
qualified activity for the future in the  
discharge of my duties, it would be  
most promptly noticed."

The undersigned  
depts to be informed in what position he  
is inefficient, and the extreme of his  
is unwilling that his character as an  
Officer and gentleman should be  
soiled, and the same a better record  
remain recorded against him without  
an investigation. If he had some  
one to be worthy such reports, he  
should have been more prepared and  
now he would have had a chance  
to confront his accuser, with propriety

Sufficient evidence to show that such  
charges cannot be substantiated.

Major General A. S. End

Genl. E. Kirby Smith  
Shreveport La

I have the honor of stating  
that I have addressed several letters of  
inquiries to Major Genl. R. S. Meade complaining  
of being relieved from Post duties, and ordered  
to report to the 35<sup>th</sup> Texas Cavalry as Quartermaster  
thereof, and the Quartermaster of the 35<sup>th</sup> Texas Cavalry  
being ordered to relieve me of Post duties - I have  
been patiently awaiting an answer to these commu-  
nications, and have not up to the present time  
been able to obtain a reply satisfactory or  
otherwise, although within a days ride of  
St. Louis.

I would now state (as I have  
done before) that so far as is yet known, I  
was the first A. S. M. of the line appointed  
and doing duty in the Department of Texas  
since the 19<sup>th</sup> of Sept. 1861 - that I have  
discharged to the best of my ability the duties  
devolving upon me as such at various  
Posts since up to the present time - but it  
gives me to state that complaints have been  
made of inefficiency, which upon inquiry  
have proved groundless, having presented  
such evidence as entirely dissipated such  
assertions. I would suggest that an  
investigation be made of all my public acts

at least that some enquiry into them, that  
the truth may be arrived at, and matters be  
parties who suffer thereby.

\* I venture the assertion  
that great injustice has been done: after  
acting as Post Quartermaster and Act. & C.S.  
since the 19<sup>th</sup> of Sept. 1861, that now at this  
late day to be ordered to take the field on the  
capacity of Regimental Quartermaster.

I have no superior  
claims to present my commanding officers  
or country. Except that of being one of  
the first upon duty in this Department  
and having endeavored to do my duty upon  
all occasions. — I would therefore  
most respectfully ask that my status be  
determined and placed upon such basis  
as circumstances will permit and allow and  
justice requires.

I have only this further  
remark, if I have been guilty of any  
great and palpable wrong, the matter should  
have been investigated before the proper tribunal  
as circumstances will permit and allow and  
justice requires.

If not deserving this extraordinary  
treatment of my person and card - I should  
then be righted and established in the full  
confidence of my Com. & Gen. and the service.  
I would therefore be pleased to be honored  
with a presentation of these facts, and a  
reply at your earliest convenience.

Very Respectfully  
J. N. Bailey Capt

General.

I have the honor to represent to you ~~that~~ <sup>myself</sup> Lieut.  
S. A. Railey, A.D.M., whom I found  
on duty at once, on my arrival in  
this District. I am informed  
that Capt. Railey entered the service  
as Captain Comd'g Co. "A" Cook's  
Great Heavy Artillery, during the  
administration of Brig. Genl. Heintz,  
was subsequently detached by him  
and performed, until relieved by him,  
the duties of Asst Quarter Master.  
On my arrival in this District I  
found him off duty in the D. & H's  
Depot, and without a position in  
the line; the vacancy occasioned by  
his assignment to other duty having  
been filled in his Company by the  
time.

I subsequently directed him to report to Major Bloomfield, my chf. Quartermaster, for duty, and he was accordingly placed on duty in this

District as A. D. M. - He has been  
reluctant in the discharge of his  
duties, and unwilling to obey orders  
repeatedly given him. - He has  
recently been ordered to join Ligon's  
Regt. (35<sup>th</sup> I. Cavalry) in Louisiana,  
as Regimental Quartermaster, but in-  
stead of ~~obeying~~ <sup>complying with</sup> the order, he has  
sent a long list of unfounded com-  
plaints to your Head Quarters, directly,  
as I am informed. -

On view of the fact that  
he really holds no Commission, and  
on account of his utter inefficiency  
and the indisposition so frequently  
exhibited by him to comply with  
orders, I beg to recommend that  
he be dropped from the rolls. -

I have ordered his arrest, and  
shall cause charges for disobedience  
of orders to be preferred against  
him. -

I have the honor to be,

Genl Order No 48 published in this Dist  
for the information and guidance of all  
concerned, says Promotions can be made  
in two ways only, first by Seniority, second  
by election & but authority is given by  
law to appoint any Officer or Soldier  
for gallant & meritorious service to fill  
vacancies that may occur. The army  
Regulations provides in substance the same  
and also provides that Quartermasters or  
Commissaries cannot assume command of  
Troops, without <sup>being</sup> first specially appointed  
by the President.

My attention has been  
repeatedly called to the fact that Civilians  
and junior Officers have been appointed  
to the position of A. S. M. in this District  
to the serious injury of Senior Officers, and  
prejudicial to the Service

The undersigned

has been a line officer since about the 3<sup>rd</sup> of July 1861, and it is believed the only line officer acting as Quartermaster and Commissary in this District, since that date to the present time — And the first and only one upon duty for months, before any Coadjutor was appointed

The undersigned begs to state that he was deprived of Command at the beginning of his service, by being compelled to act in the capacity as before stated against all remonstrances to the contrary — thereby depriving the chances of any gallant & meritorious service in the field

The undersigned would further state, that he has a large family to support; a son in the service, and that at the beginning of this war had, funds and a position, which gave a comfortable support for his family, which is not now the case, that he has endeavoured to do his duty upon all occasions, in his Dept. — But does at the same time, assert no claim to

promotion, upon these heads or any other, but  
it being the order of the day for promotions  
to be made; the writer would most respectfully  
call the attention of Lieut Genl E Kirby Smith  
to the Material facts set forth in this  
epistle

Very Respectfully, your  
Humble Servant

C. A. Bailey Capt  
A. I. M. A. E. S. and  
Comd. of the Post

Respectfully referred to the  
Secretary of War. I am not  
personally acquainted with  
him by name but know him  
rather very well as a member  
of the Legislature of Texas and  
a worthy man.

Respectfully returned to the

remark that it is peculiarly  
important that the rule re-  
quiring communication of  
this character to be furnished  
through the regular military  
channels, should be observed  
in all cases arising  
in the Trans. Mississippi  
Department. -- I am not  
prepared to submit any re-  
commendation without ac-  
knowledge of the views of  
the Commanding General  
of that Department, in this  
particular case. -- It is  
believed, however that no  
new appointment will be  
necessary since under the opera-  
tion of the act of Congress of  
June 14 1864 there are others  
in the service who will be avail-  
able to assign to any  
vacancy that may occur

To His Excellency Jefferson Davis President  
of the C. State of America Richmond Va  
I have the honor to  
State, that I started with a Milt. Company  
on the 18<sup>th</sup> of July 1861. to Brazos Santiago &  
other points, soon returned, and reorganized  
the Co and entered & was mustered into the  
C.S. Service on the 1<sup>st</sup> of July 1861 as a first  
Lieut. and on the 19<sup>th</sup> of July 1861 the Capt  
of said Co resigned his Commission (which  
was accepted) I immediately claimed  
to command the Co which was refused by  
Col J C Moore then Commanding the Post of Galveston

at the same time ordered the undersigned

been entitled to a Captaincy) was appointed  
by Major Genl. P. G. Wetherill Capt Regt & act as  
for the Post of Salveston, gave Bond, and  
have continued upon duty from that to the  
present time at various Posts.

Have been  
considerably annoyed by Pay masters with  
regard to pay accounts, because my appointment  
had not been confirmed by your Excellency  
being a line Officer at the time of said  
appointment, and not fully understanding  
my rights, as there were no Army Regulations  
to be had at that time. It is deemed nothing  
but just under the circumstances, that your  
excellency confirm the appointment so made  
believing a correct view of the matter  
will be taken into consideration

Having been in the service for some  
months past, to the very day, and

having been in the service eight months  
in that capacity - without pay; and having  
just read notice from Richmond Va  
that my Bond and appointment as  
such, had not been rec'd, and there  
being also a general disposition

I have the honor to reply to your kind  
invitation, in 1851 concerning it, & to take  
effect from the present date, the reasons which  
impel me to take this step, are that I find  
that my business relations as Executor &  
Administrator of several large Estates  
require the most of my time & other

Chlorine

1. Chlorine is a greenish-yellow gas with a strong, irritating odor. It is heavier than air and is soluble in water. It is used in the manufacture of bleaching powder, disinfectants, and various organic compounds.

2. Chlorine is a powerful oxidizing agent. It reacts with most metals and non-metals. It is used in the treatment of drinking water to kill bacteria and other microorganisms. It is also used in the production of hydrochloric acid and other chemicals.

3. Chlorine is a toxic gas. It can cause severe respiratory distress and even death if inhaled in large quantities. It is important to handle chlorine with care and to use appropriate safety measures.

Had Gun (understand to be)  
Hansen 8th 1862

Genl S Cooper  
Sir

I was the honor to get the  
Garrison in good condition for defense.  
The last amount of work has been done extensive  
additions to the fortification have been made  
and others are in process of construction.  
The are well provisioned and our magazines  
are full of ammunition.

The force we have (about 2000 men) is  
sufficient to defend the place. Had to have  
constantly that number of men.

The term of service of the men all the command  
will run till spring in from twenty days to three  
months some will be enlisted, but the great number  
will demand their discharge.

Provisions ought to be made in advance  
to supply the place in all time of need  
of subsistence in the harbor.

With our arms at the disposal of the  
commander for the defense of the harbor and every  
other Command, now here.

There is no money in the  
Department will authorize me  
1st to give the full length allowed by law to all who

and I am sure that arms to be retained should  
be in the hands of such troops as may be  
employed in their stead.

To take possession of the army, you  
will find arms of all the way to be charged  
and service to the place.

I am in some disposition to see part  
of the 1st and 2nd Companies to retain their arms  
from the 1st of January, and the companies which  
they were to raise.

This is attended the arms will  
probably remain long out of use and  
many of them be entirely lost to the service.

Respectfully  
Yr. Obedt. Servant

Mr. J. Porter Donnell  
P. O. Box 652  
Pecos, Texas

Dear Mr. Donnell:

Reference is made to your letter of 5 September 1951,  
herewith returned.

The records show that Gabriel Jones Rains, born in North Carolina, was appointed from that State a cadet at the Military Academy at West Point, 1 July 1822; was brevetted 2nd Lieutenant of Infantry and 2nd Lieutenant, 7th Infantry, 1 July 1827; was appointed 1st Lieutenant 28 January 1834; Captain 25 December 1837; Major, 4th Infantry, 9 March 1851; Lieutenant Colonel, 5th Infantry, 5 June 1860; was brevetted Major 28 April 1840 for gallant and meritorious conduct in the action with the Seminole Indians near Fort King, Florida, and resigned 31 July 1861. He served as a Brigadier General, Confederate States Army. No record has been found of the date and place he surrendered his troops.

This collection of records is by no means complete and failure to find the entire record of Confederate States Army service does not indicate necessarily that an individual did not serve at some period not covered by the records.

Sincerely yours,

Sir,

Considering the circumstances under which Brig. General Harris is placed, the value of his services and the great services that he has rendered, I recommend that he be appointed Major General. This appointment at this particular time I regard as of the utmost importance.

As I considered Brig. General L. McLaws the very best officer in this Department I recommend that he also be immediately promoted.

Mr. Joseph A. Brent, who has been acting as volunteer Aid has shown intelligence and great ability. He has lately taken his leave on various occasions and I therefore recommend that he be appointed Captain in the Provisional Army.

Yours truly,  
Secretary of War

Very respectfully

Captain

Understanding that the detachment from Kayne's Co Lucas Battalion will not be allowed to report in direct of these now detailed from Capt Mickler's Company to Co 11th S.C. General Rains would respectfully state that in a recent conversation with Capt Reed Co 21st S.C. (from whose company a detachment accompanied one of his Officers on a late expedition and behaved in a manner by no means creditable) Capt Reed makes it his particular request that he be allowed to furnish another detail, for whose fidelity and alacrity in obedience to orders, he undertakes to vouch. The General would therefore suggest and take it as a favor if you would permit these select men of Capt Reed's Co. to report to him for duty as soon as their names can be furnished and also those of Capt Kayne's Co Lucas Battalion if not incompatible with the interest of the service, as he has at present but a small number of men upon whom he can rely in an emergency.

He has the honor to subjoin extract from report of Lieut Andrews commanding the expedition, in relation to the conduct of the men

x x x x x x  
"I deemed it impracticable to operate and returned to Battery 'Pringle' with the determination of prosecuting the work next night. Upon making my intention known to the men, I learned that a majority of them would refuse to accompany me, intimating at the same time that the trip would be hazardous to them and that it was my intention to surrender them to the Enemy."

Capt Geo. M. May  
Asst. Adjutant

Very Respectfully

They argue that self-esteem is a multidimensional construct that can be measured at different levels of abstraction and specificity. For example, they suggest that self-esteem can be measured at the global level (e.g., overall self-esteem) or at the specific level (e.g., self-esteem in a particular domain). They also suggest that self-esteem can be measured at the trait level (e.g., stable self-esteem) or at the state level (e.g., situational self-esteem). They argue that using a single, standardized measure of self-esteem is insufficient to capture the complexity of self-esteem because it fails to account for these different dimensions of self-esteem. They argue that using multiple measures of self-esteem, each targeting a different dimension of self-esteem, is a more comprehensive and accurate way to measure self-esteem. They argue that this approach allows researchers to capture the complexity of self-esteem and to investigate the relationships between self-esteem and other variables more fully. They argue that this approach is more consistent with the theoretical understanding of self-esteem as a multidimensional construct. They argue that this approach is more useful for researchers and for practitioners who are interested in understanding and improving self-esteem. They argue that this approach is more valid and more reliable than using a single, standardized measure of self-esteem. They argue that this approach is more consistent with the scientific method and with the principles of good research practice. Dear Sir

I herewith  
enclose my Report for the months  
of Octo. Nov. & Dec. 1862 and quarter  
ending Dec 31. 1862 - also for mo-  
sary & Feby - & quarter ending 31<sup>st</sup> day  
of March 1863 - during the interval - which  
you will readily perceive, from 15<sup>th</sup> of  
Feby to 31<sup>st</sup> March for which I have  
made out no report - I was held by  
the enemy - a prisoner being - having  
been Captured on my return from Fort  
Donelson and exchanged on the  
1<sup>st</sup> day of May 1862.

The articles in my report of articles abandoned  
were - thrown out during our trip into  
Tenn - while crossing Otter Bottom

and could not be avoided - The  
Beef was abandoned being unable  
to drive them in advance of the  
enemy -

Mr M. S. M. Mason ordered to receive  
all stores left on hand by me at  
Columbia by Genl. Smith in now  
busily engaged arranging his papers  
for a report and will doubtless  
reach Richmond very soon  
Hoping you may find my reports  
correct and satisfactory

I am with much respect

1. The first thing I noticed when I stepped  
out of the car was the cold. It was a  
sharp contrast to the warm blanket I had been  
under. The air was crisp and clear, and I  
could see the stars in the night sky. It was  
a beautiful sight, and I felt a sense of  
peace and tranquility. I had never before  
experienced such a moment of stillness and  
beauty. It was as if the world had stopped  
for a moment, and I was the only one  
left. I took a deep breath and felt the  
cold air fill my lungs. It was a refreshing  
experience, and I felt a sense of renewal.  
I had found a moment of peace and  
tranquility in the heart of the night.

2. The second thing I noticed was the  
silence. It was a deep, profound silence  
that I had never before experienced. It was  
as if the world had stopped for a moment,  
and I was the only one left. I took a  
deep breath and felt the cold air fill my  
lungs. It was a refreshing experience, and  
I felt a sense of renewal. I had found a  
moment of peace and tranquility in the  
heart of the night.

3. The third thing I noticed was the  
stars. They were so bright and clear, and  
I could see them in the night sky. It was  
a beautiful sight, and I felt a sense of  
peace and tranquility. I had never before  
experienced such a moment of stillness and  
beauty. It was as if the world had stopped  
for a moment, and I was the only one  
left. I took a deep breath and felt the  
cold air fill my lungs. It was a refreshing  
experience, and I felt a sense of renewal.  
I had found a moment of peace and

Sir

I would respectfully request  
that I may be informed from whom  
I am to receive my instructions in  
regard to the work under my charge

Some time since I have been  
Pemberton directed by me to obey no orders  
relating to work unless they were from  
the Gen Commanding the Dist or  
from the Chf Engr of the Dist.

I have of late received orders  
from Col Stevens commanding the  
to construct work the performance of  
which would conflict with the orders  
received from the Chf Engr.

Very Respectfully

General,

The Communication of Captain Ramsey complaining of my orders as interfering with his work, is herewith returned with the information required from Capt Ramsey endorsed thereon.

I her leave to state that the orders of General Winburn, referred to by Captain Ramsey, are now on file in this Office and had never been issued to me. When placed in Command of this Island I had conceived myself to some extent at least responsible for the work done and to be done within its limits. I have at no time given any orders in reference thereto without consulting and taking instructions from the His Hon. Comdr. the District.

I enclose a Copy of my reply to Captain Ramsey in the case complained of which shows that it was issued by direction of His Hon. Comdr.

Orders with reference to work to be done in the Engineer Department being now issued directly to Captain Ramsey, I can have no knowledge of his instructions and can therefore in no degree be considered responsible.

for the work so ordered to be done,  
being now apprized through  
the endorsement on the complaint  
of Captain Ramsey, of the views  
and wishes of the Department,  
The General Commanding may  
rest assured that there shall  
be no further interference with  
Engineer Officers or their work  
on my part.

I have the honor to be  
Very respectfully

M<sup>r</sup> W. R. Matthews one of my Assis-  
tants, who is in charge of works on James  
Island informed me, that this after-  
noon the picket at the Pontoon Bridge  
told him that Col. Stevens Comd<sup>g</sup>  
was ordering James Is. had ordered that  
no one connected with the Eng. Dept  
should be allowed to depart from  
the Island unless by an order from  
him. I have been working a very large  
force on the Island for six months  
& have never until now been compelled  
to get the Commanding Officers approval  
to my permits, all of which are counter-  
signed by the Provost Marshall of  
the District. I have at all times  
during the day to send for mate-  
rials & as Secessionville is 16 miles  
from where my works are going on  
it would be exceedingly inconvenient  
& often delay important work were I  
obliged to send that distance for  
the commanding officers approval

Some time in June last I received  
an order from Genl Pemberton that  
as Engineer of James Island is - / the  
Western Dept of the Island I was to  
obey no orders whatever except those  
issued by the Generals commanding the  
Dept & Dist or by the Chf Eng of the  
Dept of So. Ca. & Fla. I have received  
no order countermanning the above  
as I have lately received several  
orders from Capt Stevens, would  
respectfully request that I may be  
informed how I am to act in case  
other orders from other officers than  
those specified in Genl Pemberton's  
order be received by me.
